BOYD URGES PREPARATION FOR UPCOMING DIGITAL TELEVISION CONVERSION

WASHINGTON, D.C. - U.S. Congressman Allen Boyd (D-North Florida) announced today that on June 12, 2009, he will introduce legislation to provide for the distribution of digital television coupons to U.S. households. "As we near the deadline for television stations to convert to digital broadcast, I urge all families in North Florida to prepare for the transition," Boyd said. "Each U.S. household can receive up to two coupons for \$40 each. In order to receive these coupons you must be a U.S. resident and have a valid address."
